

FORMATIONS INTER-ENTREPRISES Learning Services France

OpenText vous propose des Formations inter-entreprises spécifiques dédiées aux besoins des utilisateurs, développeurs ou administrateurs des solutions OpenText™. Celles-ci sont dispensées de façon virtuelle, dirigées par un instructeur à distance, et incluent des travaux pratiques afin de favoriser l'expérimentation et l'adoption utilisateurs.

Ces formations inter-entreprises OpenText™ sont programmées régulièrement .

Voici le **Calendrier des formations dispensées en langue française, pour le deuxième semestre 2022.**

Sélectionnez un produit dans la liste ci-dessous pour connaître les prochaines sessions de formation et disponibilités par rôle.
